The Prominence of Tense, Aspect, and Mood

The Grammar of the English Tense System forms the first volume of a four-volume series. The other volumes, to appear over the next few years, will deal with mood and modality, studied in the linguistic literature on the English tense system. The past tense and the present perfect, and Chapter 6 examines some of the.

A Bibliography of Tense, Verbal Aspect, Aktionsart, and... UTSC 2.2.1 Studies in Andean and other Latin American dialects.

Table 6 Functions of -sqa and -na (Cole and Hermon 2011)between these varieties with respect to how tense and mood vary in nominal subordinate clauses. explains that literary book writers usually follow prescriptive rules more strictly, so that.
